In 2019, our popular [Palachinke](#) (Serbian crepes), will be offered in a new flavor, [Rose Hip](#) jam spread. Once again the featured regional salad will be [Sopska Salata](#) (similar to a Greek Salad). And again, back by popular demand is [Sarma](#) (Serbian Cabbage Rolls) for the 2019 event...

The spirit of Serbian ethnic heritage is expressed and instilled through dance, song, and music. Folklore dance performances by the local Morava Folklore group exhibits the spirit of Serbian ethnic heritage. The ensembles' primary goal is to present Serbian folklore in as original a form as possible in the context of the Serbian cultural mosaic. Morava prides itself on the perpetuation of authentic choreography and costume design, and on the preservation of Serbian ethnic heritage. Morava Folklore Group will be performing at 3:00pm & 6:00pm. Additionally, two live bands will perform Serbian music throughout the day for the public to share in the expression of Serbian culture through storytelling songs.

St. George in San Diego is said to be the only Church in North America that is completely covered in mosaic tile. Church tours will be offered at 2:00pm, and 7:00pm. Vespers/Evening Service will be held at 5:00pm. The tour will explain church architecture, worship, symbolism, and basic precepts of the Orthodox Christian faith. St.

George uniquely has magnificent Venetian glass mosaics resplendent with color that covers the entire interior of the church. Similar architecture can only be viewed in southeastern Europe's cathedrals and churches, but not in North America. Clergy and laity from all denominations are welcomed and encouraged to share in the tours.

In August, St. George Serbian Orthodox Church celebrated the 50th anniversary of its consecration at its current location. The entire Serbian Orthodox Church worldwide is celebrating 800 years of autocephaly or self-governing (1219-2019). These two historical milestones are being shared with our Southern California neighbors on October 12th with Abrahamic hospitality, delicious food and unforgettable entertainment.

San Diego County is home to some 8,500 Serbian-Americans including a recent number of immigrants from the former Yugoslavia. [St. George Serbian Orthodox Church](#) is the oldest Serbian Church in San Diego founded in 1952, and is located at 3025 Denver St., San Diego, CA 92117.
